

## **Adrian Pratt BVSc MRCVS**

Adrian Pratt graduated from Bristol University in 1995. He spent six years in small animal practice in and around the midlands before joining Hill's in 2001. As Veterinary Affairs Manager he is responsible for technical training on products, providing clinical lectures at the UK and Irish Veterinary Schools, VN training colleges, and organising Hill's presence at major shows such as BVNA. He is also responsible for managing the Hill's Veterinary Nutrition Academy, an on-line learning and resource environment for veterinary nurses.
