

James Farrell BVetMed CertSAS MRCVS

After qualifying from the RVC in 1998 and three years in mixed practice, James combined working for the PDSA and teaching student VNs at Bottle Green Training Ltd. James gained his RCVS certificate in small animal surgery in 2007 and now works in a busy first opinion practice with a varied and challenging surgical caseload. In addition he is a clinical teaching associate for the Nottingham Vet School, supervising final year vet students and continues to provide CPD for vets and nurses in practice.

His time at the PDSA involved maintaining high standards of all aspects of theatre practice and is frequently reminded of the important role nurses have to play, having married one in 2001.
