

Lisa Milella BVSc MRCVS

Lisa Milella graduated from the University of Pretoria in South Africa 1997 and has since been working in the UK. She soon developed an interest in dentistry and for the past 10 years her work has been solely in the dentistry and oral surgery field. She has a practice in Surrey which is a dedicated veterinary dentistry and oral surgery clinic. Lisa is also president of the British veterinary dental association and is currently working towards her European Diploma in veterinary Dentistry.
