

## **Tracy Mayne RVN VHA CVPM MBVNA & Cert SA Nutrition**

I was brought up on a farm in Cornwall and my working life started in a large mixed veterinary practice in Cornwall. I qualified as a VN in 1994 from Bicton College. I left Cornwall to further my career and spent a few years working in London as a company administrator in order to acquire admin, staff management, IT and finance skills. I returned to practice as a practice manager for a large veterinary group in North London. I then spent the next five years learning as much as I could about running a veterinary practice. In 2004 I passed my CVPM and in the same year left to join the Vets4Pets Support Team. In 2007 I left the support team and opened Redditch Vets4Pets as the VN partner. I have been a Trustee for the RCVS Trust since 2005, being a Trustee is a very rewarding and the work Trust is fundamental in my eyes to the veterinary profession.
